EXTRACURRICULAR EXPERIENCE

HWUM Student Association (HWUMSA)

Vice-Treasurer of Clubs & Societies

Aug 2024 – May 2025

- Oversaw financial administrative tasks for over 50 student clubs and societies under HWUMSA.
- Processed and verified event claim forms to ensure accuracy and compliance with university financial policies.
- Assisted in managing and allocating a cumulative annual budget exceeding 6 figures.
- Ensured clubs and societies adhered to their designated budgets and avoided misuse of funds.

Inter-University Officer

Aug 2025 – Present

- Represented Heriot-Watt University Malaysia in inter-university events, strengthening relationships and collaboration with student bodies across Malaysian universities.
- Facilitated communication between HWUMSA and external stakeholders, ensuring alignment of goals and smooth execution of cross-campus programmes.
- Organised inter-university events to enhance the university's visibility and presence through active engagement and outreach

HWUM Photography Club (HWUMPYC)

Jan 2025 – Present

Founder & Treasurer

- Co-founded Heriot-Watt University Malaysia's first Photography Club to promote creativity and visual storytelling among students.
- Took on the role of Treasurer, overseeing the club's financial matters from inception, including budgeting and expense tracking.
- Developed and maintained transparent financial records, ensuring accountability in all transactions.
- Prepared annual budgets and managed club funds in accordance with HWUMSA guidelines.
- Contributed to the growth of a vibrant student community centred on creative expression and collaboration.

HWUM Society of Actuarial Science (HWUMSAS)

Aug 2025 – Present

Professional Development Officer

- Serving as Chairperson and Lead Organiser for the society's flagship event, an annual national-level actuarial case competition. Liaised with industry experts worldwide who agreed to be judges for the event.
- Liaised with industry professionals and actuarial experts internationally to secure judges for the competition.
- Engaged and negotiated with corporate partners to obtain sponsorships and strategic support for society events.
- Designed and delivered career-focused initiatives to support members' professional growth.
- Researched industry trends and student needs to propose relevant professional development activities, ensuring alignment with members' academic and career aspirations.

WORK EXPERIENCE

FM Tuition Centre

April 2024 – Dec 2024

Tuition Teacher

- Provided one-on-one online tutoring sessions in Additional Mathematics to secondary school students.
- Developed personalised lesson plans and simplified complex mathematical concepts to suit various learning styles.
- Utilised digital tools (e.g. Zoom, Google Meet, online whiteboards) to create interactive and engaging virtual learning environments.
- Enhanced communication and time management skills while balancing multiple students and lesson schedules effectively.
- Demonstrated initiative and self-motivation by independently managing lessons, curriculum coverage, and student engagement.

Creative Learning Centre

March 2024 – June 2024

Tuition Teacher

- Conducted in-person tuition sessions for students across various academic levels, covering core subjects such as Mathematics, English, Science, and Bahasa Malaysia.
- Built a strong foundational understanding across subjects by integrating practical examples and interactive teaching methods.
- Developed close mentorship relationships with students, helping to build their confidence and independent learning habits.
- Fostered a focused and engaging learning environment, encouraging student participation and curiosity.

VOLUNTEERING

EduAdvisor

April 2025 – Present

Student Ambassador

- Selected as a Student Ambassador for EduAdvisor, representing Heriot-Watt University Malaysia to support and inspire prospective students.
- Shared authentic insights and personal experiences about university life, academic programmes, and student support services to guide informed decision-making.
- Engaged with prospective students through written testimonials, Q&A sessions, and digital content, strengthening public speaking and interpersonal communication skills.
- Played a mentorship role by offering peer-to-peer advice, helping future students navigate university applications and expectations.
- Contributed to EduAdvisor's mission of student empowerment by promoting transparency and inclusivity in higher education choices.
- Gained leadership experience and confidence by representing the student voice in outreach efforts.

Heriot-Watt University Malaysia (HWUM)

July 2024 – Present

Student Ambassador

- Participated in university open days, webinars, and outreach events to promote Heriot-Watt's programmes and culture.
- Strengthened public speaking and interpersonal communication skills through frequent interaction with diverse audiences.
- Played a key role in enhancing the university's image and fostering a welcoming environment for new and potential students.

Watt a Run : Walk The Talk!

March 2025 – May 2025

Sales Force Team

- Volunteered as part of the Sales Force Team for Watt A Run, a university-led mental health awareness and charity run in support of the Malaysia Mental Health Association.
- Played an active role in participant outreach and event promotion through both online and offline channels.
- Successfully contributed to attracting over 600 participants, exceeding outreach goals and raising awareness on mental health among students and the wider community.
- Gained experience in teamwork, adaptability, and executing targeted outreach under tight timelines.
